Mr. Julien Skeete,

The organization unveiled its website at [www.tobagocivilnet.org](http://www.tobagocivilnet.org), which allows for greater documentation of information on its many activities accomplished, ongoing, and upcoming, as well as other information which may be of relevance to Tobagonians.

Tobago CivilNET aims to accomplish several projects in 2024, which include collaboration with other civil organizations as well as Divisions within the THA, some of which are, but not limited to;

- Launching Season 2 of its Wholistic Health Awareness Series
- Advancing its Education Revolution Committee activities
- Hosting its Crime Symposium entitled '**An Introduction to The Public Health Approach to Violent Crimes in Tobago**' – this is currently in its planning stages.

The 2<sup>nd</sup> AGM of Tobago CivilNET concluded with lite snacks and some good Tobago home-made wine by Karen Boatswain.
